

Jesus Changed a Paralytic's Body

Kelly Brady, Senior Pastor

Mark 2:1-12

going deeper

1. Why do you think Jesus initially healed the man's soul when the paralytic seemed to be seeking physical healing?
2. How have you experienced either physical or spiritual healing?
3. Why is it harder to say your sins are forgiven, than to say you are healed?
4. What correlation exists between physical healing and spiritual healing?
5. What role does faith play in both physical and spiritual healing?
6. In what ways do you relate to the teachers of the law and their questions of Jesus? How have you questioned God's ability to heal parts of your soul?
7. What are the consequences or changes we can be living out based on Jesus ability to heal both the physical and the spiritual? What should our response be when we experience healing?
